

Introduction to the CSRD and Reporting with the ESRS

Equip your team to meet CSRD requirements with confidence

Why this eLearning course matters

The CSRD affects over 50,000 companies across the EU, making ESRS compliance mandatory by 2025-2028. Organizations need structured preparation to meet these requirements effectively. This course cuts through regulatory complexity to provide clear, actionable guidance for successful ESRS implementation. While the CSRD and the ESRS may change under the Omnibus Package, you'll acquire the knowledge and skills to adapt quickly and confidently once the updates are finalized.

What you will learn

- Explain the value of sustainability reporting and the role of the CSRD in EU regulatory practices
- Navigate the structure and key features of the ESRS with confidence
- Plan and execute essential preparation steps for ESRS reporting cycles
- Apply practical guidance from real organizational examples
