# **GRI Topic Standards Project for Human Rights – Technical Committee members**

**2018 – 2021**

# Technical Committee members

In accordance with due process, the Global Sustainability Standards Board (GSSB) selected the following members to participate in the Technical Committee responsible for reviewing the approach to human rights disclosure in the GRI Standards. The members represent diverse, multi-stakeholder backgrounds and bring an excellent combination of relevant knowledge and experience in business and human rights. The Technical Committee served from 2018 to 2021.
