

Public comment questionnaire for Phase 2 of GRI Topic Standards for Economic Impact Project

Introduction

Thank you for taking part in the public consultation of the second phase of the GRI Topic Standard Project for Economic Impact. This phase includes the revision of *GRI 205: Anti-corruption 2016*, *GRI 206: Anti-competitive Behavior 2016* and *GRI 415: Public Policy 2016* Topic standards.

The exposure drafts for the revised Topic Standards are published for public comment by the Global Sustainability Standards Board (GSSB), the independent standard-setting body of GRI, in line with the GSSB Due Process Protocol. Any interested party can submit comments on the exposure drafts using this online survey.

Note: The exposure drafts are published for public consultation only, and their content may change before the final versions of the Standards are released for use. Access the GRI Economic Impact-related Topic Standard exposure drafts, including memoranda of understanding, in the following links:

- [GRI COR: Corruption 202X](#)
- [GRI COM: Competition 202X](#)
- [GRI PP: Public Policy 202X](#)

For further details regarding the different phases of the project scope and timelines, you are welcome to view our [website](#).

Feedback can be submitted until the 10 April 2026.

Please provide all feedback in English. If using these survey questions or commenting in English is not feasible, please reach out to economicimpact@globalreporting.org for support.

Public comment questionnaire for Phase 2 of GRI Topic Standards for Economic Impact Project

Useful information for providing your feedback

- Please read through the exposure drafts in their entirety before submitting your responses.
- You are welcome to provide feedback on either one exposure draft or both drafts.
- Questions marked with an asterisk (*) must be answered before you can proceed. You can go back to the previous page to review or change your responses.
- When responding to the questions, please provide where possible:
 - the line number(s) of the text or reference number of the disclosure which your comment concerns;
 - a rationale or supporting explanation for your comment;
 - when relevant an alternative wording suggestion;
 - any relevant authoritative instruments or information where we can access further resources.
- It is not necessary to answer all the questions in the questionnaire; only those relevant to you.
- The final question in the survey gives you the opportunity to submit any additional comments or suggestions.
- Before submitting the questionnaire, you can choose to have a copy of your responses emailed to you.

For more information about the project, please visit the [GRI Standards website](#). If you have any questions about providing feedback via questionnaire or the public consultation period, please email economicimpact@globalreporting.org.

Public comment questionnaire for Phase 2 of GRI Topic Standards for Economic Impact Project

Respondent details

As required by the GSSB Due Process Protocol, all comments received in English will be reviewed and considered a matter of public record.

Comments will be published on the GRI website along with the name of the individual or the organization submitting the comment, country represented, and stakeholder constituency. These personal details will not be used or processed for any other purposes by GRI other than informing the development of the Labor Standards. For more information, read GRI's privacy policy.

* Please confirm whether you agree to have your name (for individual submissions) or your organization's name (for organizational submissions), country, and stakeholder constituency published with your comments on the GRI website. If you do not agree, your comments will not expressly be considered by the GSSB.

- ☐ Agree
- ☐ Do not agree

* Please confirm whether you agree to GRI contacting you to clarify your responses and/or to follow-up on comments submitted through this survey.

- ☐ Agree
- ☐ Do not agree

* First name

* Last name

* Are you responding on behalf of an organization?

- ☐ Yes
- ☐ No

* Organization name

* Email address

Email address

* Country (Please indicate the country you/your organization represents)

* Constituency

(Note that if this submission is on behalf of an organization, the name of the organization will be published, and not the name of the individual person making this submission)

If other, please specify

Survey questions for Corruption exposure draft

Corruption exposure draft

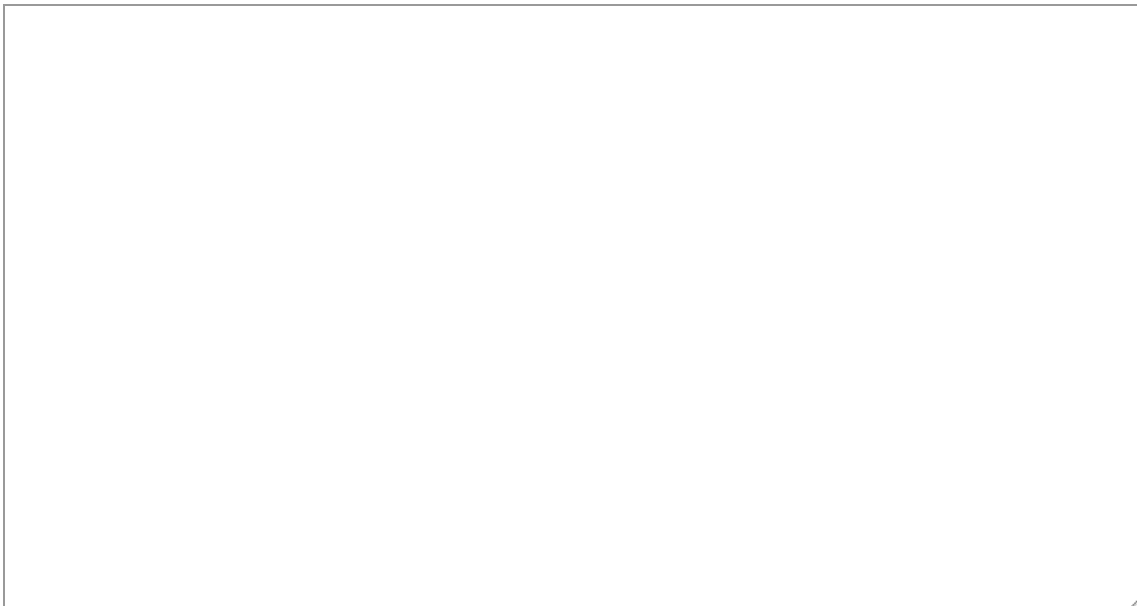

The following questions are in reference to the exposure draft of the revised Corruption draft Topic Standard, which can be found [here](#).

The exposure draft contains one management disclosure and three topic disclosures about the organization's impacts on the environment, economy and society as a result of corruption and how it manages them.

Question 1: Disclosure COR-1 Prevention of corruption

What is your feedback regarding the disclosure COR-1: Prevention of corruption?

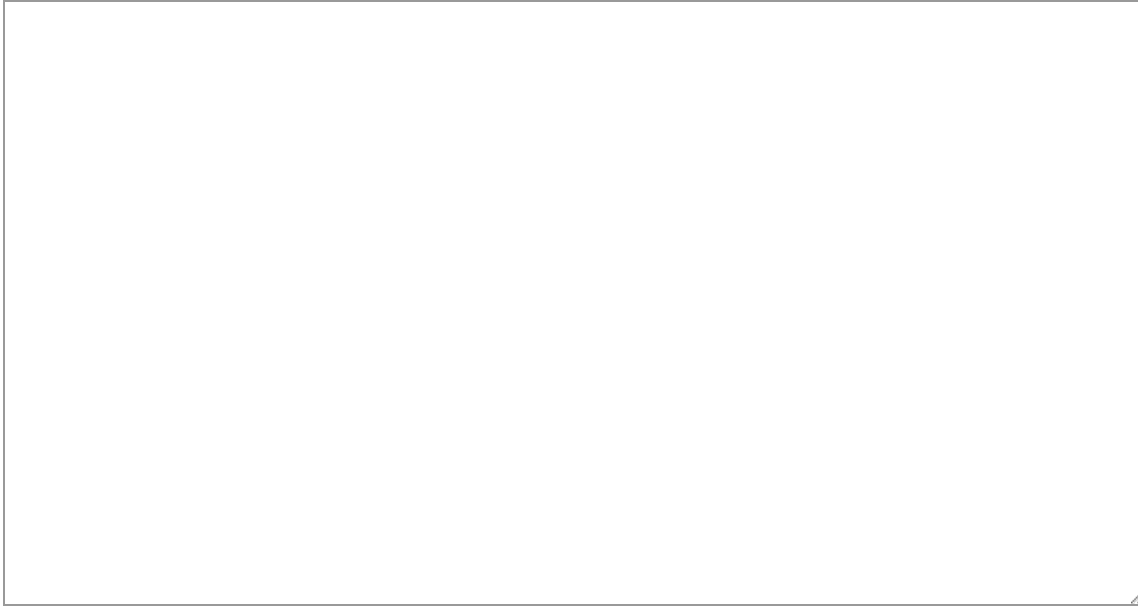

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their feedback. It occupies the lower half of the page.

Question 2: Disclosure COR-2 Functions and business partners assessed for corruption

What is your feedback regarding the disclosure COR-2: Functions and business partners assessed for corruption?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their feedback. It occupies the majority of the lower half of the page.

Question 3: Disclosure COR-3 Incidents of corruption and actions taken

What is your feedback regarding the disclosure COR-3: Incidents of corruption and actions taken?

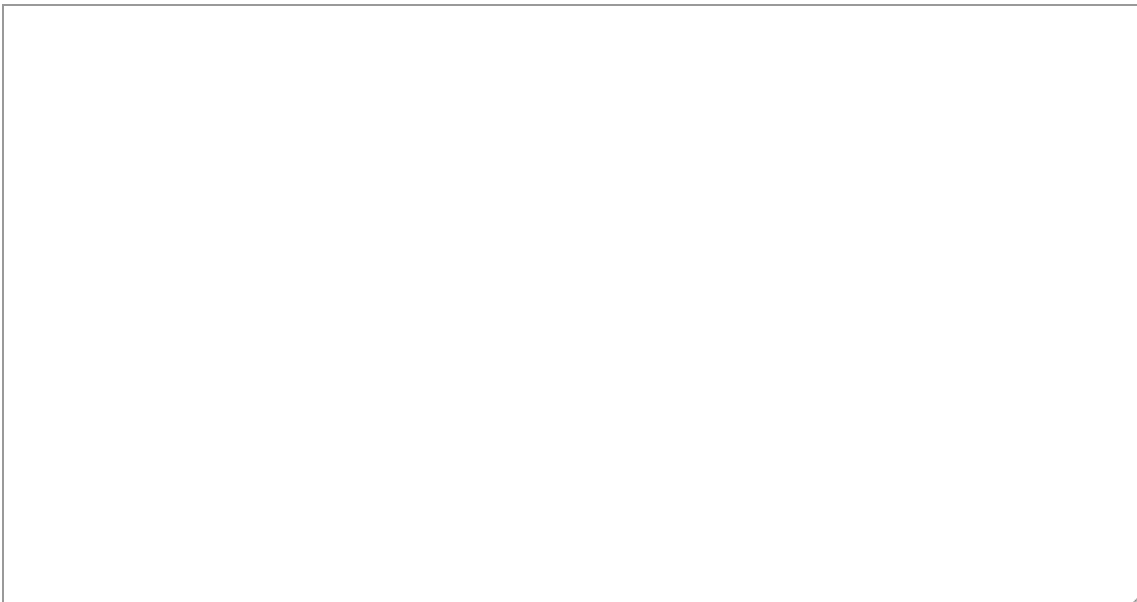

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 4: Disclosure COR-4 Communication and training on corruption

What is your feedback regarding the disclosure COR-4: Communication and training on corruption?

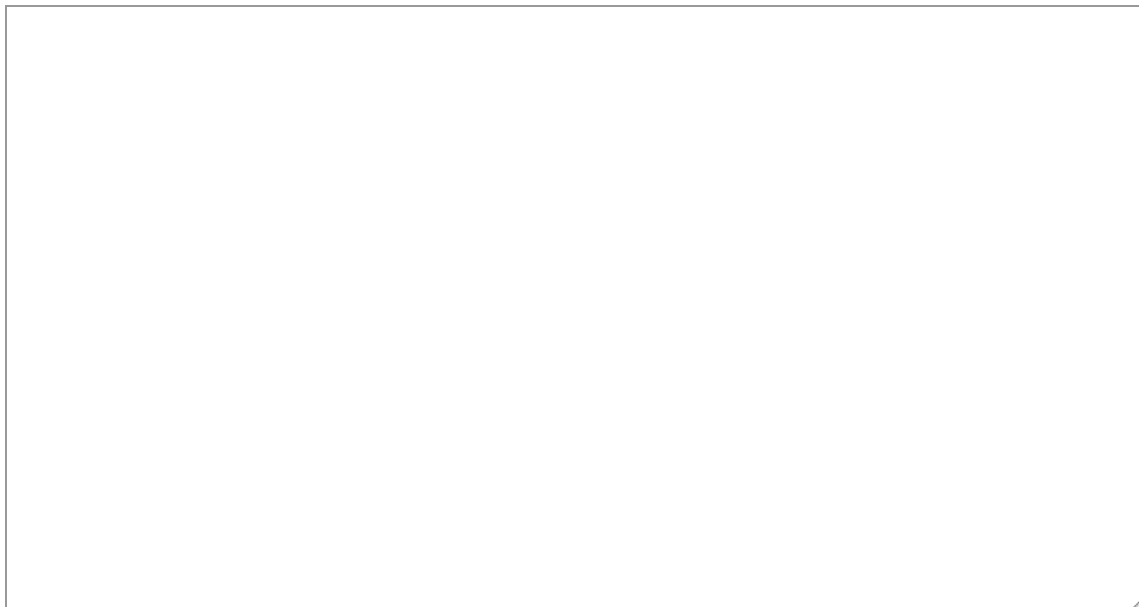

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 5: Availability of any information related to Corruption

Are there any instances in the Corruption exposure draft where information will either be unavailable, not possible to collect, or difficult to obtain over time?

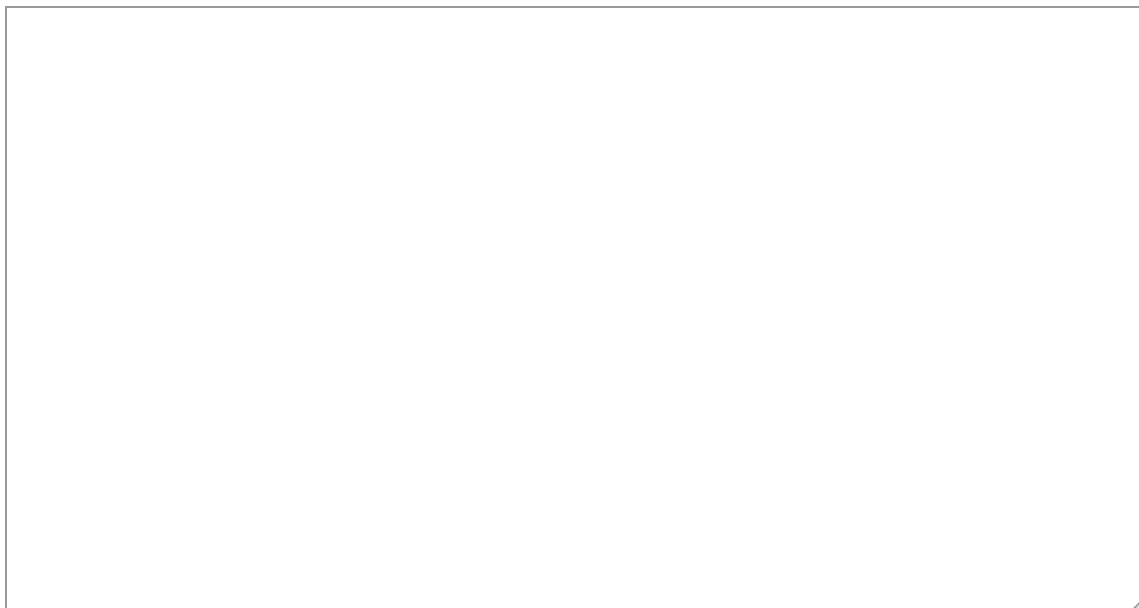

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

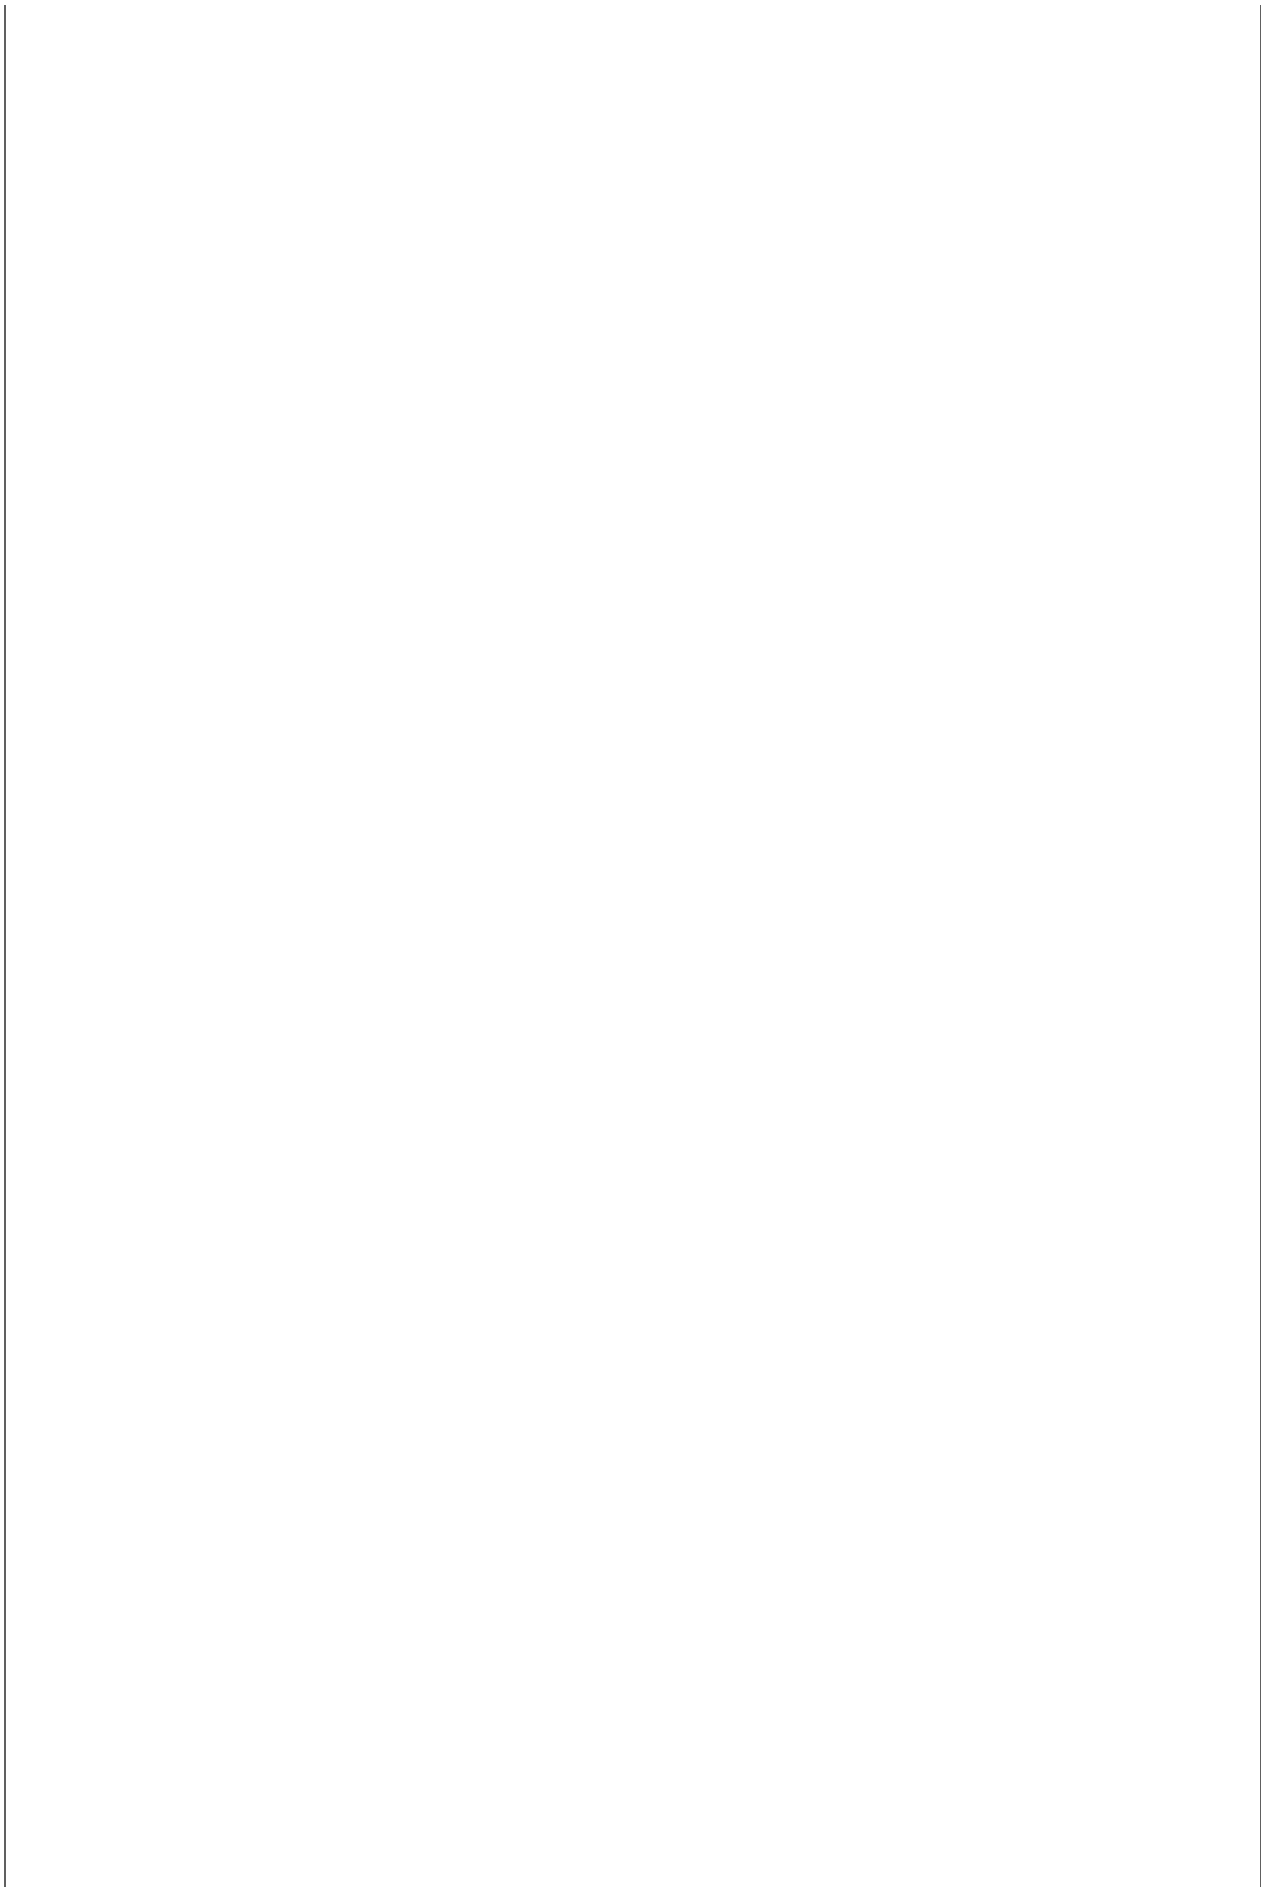

Question 6: Overall comment

Do you have any additional comments or suggestions regarding the exposure draft of the revised Corruption Standard?

Please include the specific disclosures, requirements, line number(s), and recommended resources where appropriate.

Survey questions for Competition exposure draft

Competition exposure draft

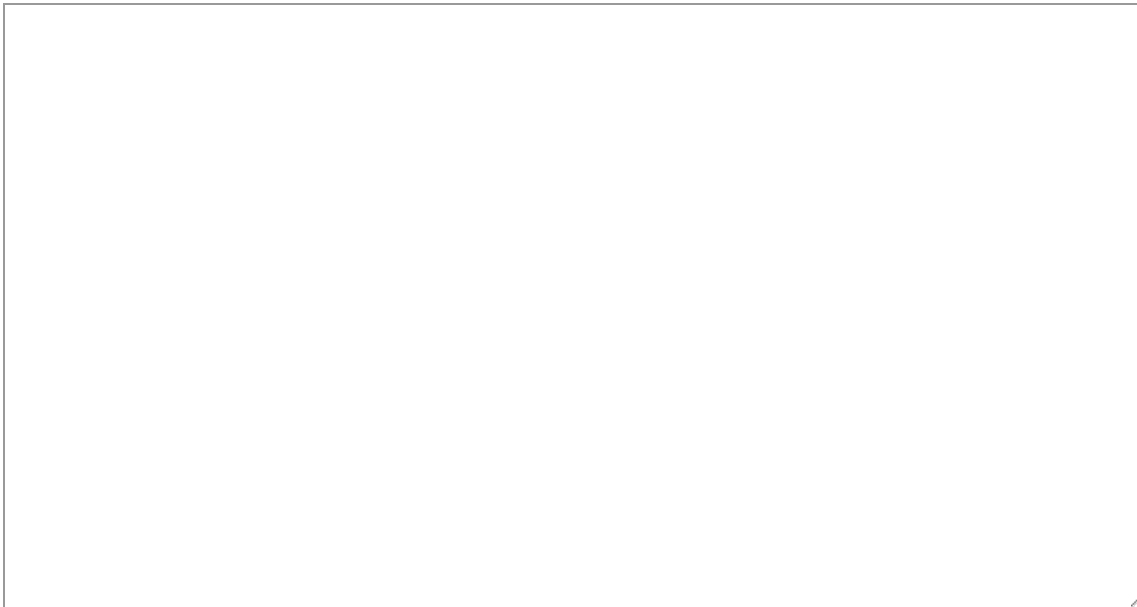

The following questions are in reference to the exposure draft of the revised Competition draft Topic Standard, which can be found [here](#).

The exposure draft contains one management disclosure and three topic disclosures about the organization's impacts on the environment, economy and society as a result of corruption and how it manages them.

Question 1: Disclosure COM-1 Prevention of anti-competitive behavior

What is your feedback regarding the disclosure COM-1 Prevention of anti-competitive behavior?

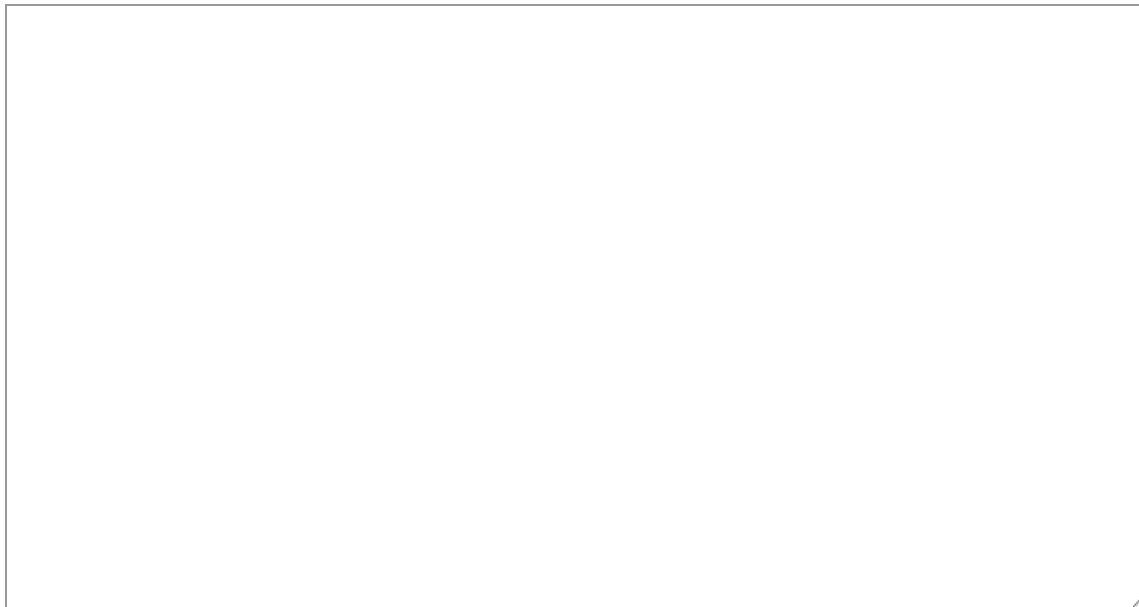

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the respondent to provide their feedback. In the bottom right corner of the box, there is a small, faint icon of a triangle with a diagonal line, likely a placeholder for a cursor or a UI element.

Question 2: Disclosure COM-2 Legal actions regarding anti-competitive behavior

What is your feedback regarding the disclosure COM-2 Legal actions regarding anti-competitive behavior?

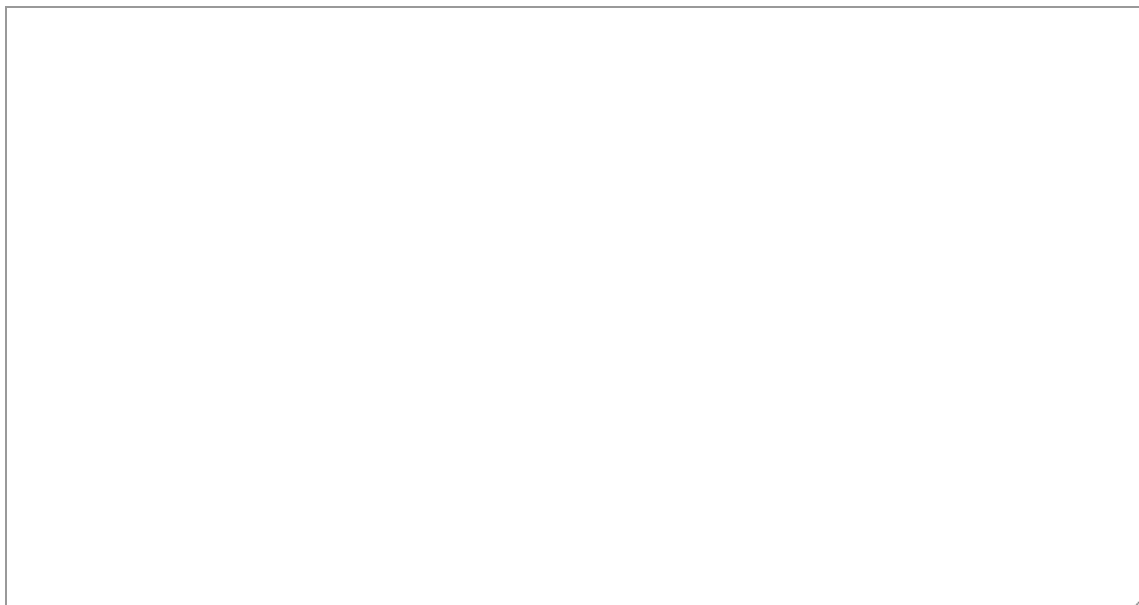

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their feedback response to Question 2. The box is positioned below the instruction text and above the next question header.

Question 3: Disclosure COM-3 Communication and training on competition

What is your feedback regarding the disclosure COM-3 Communication and training on competition?

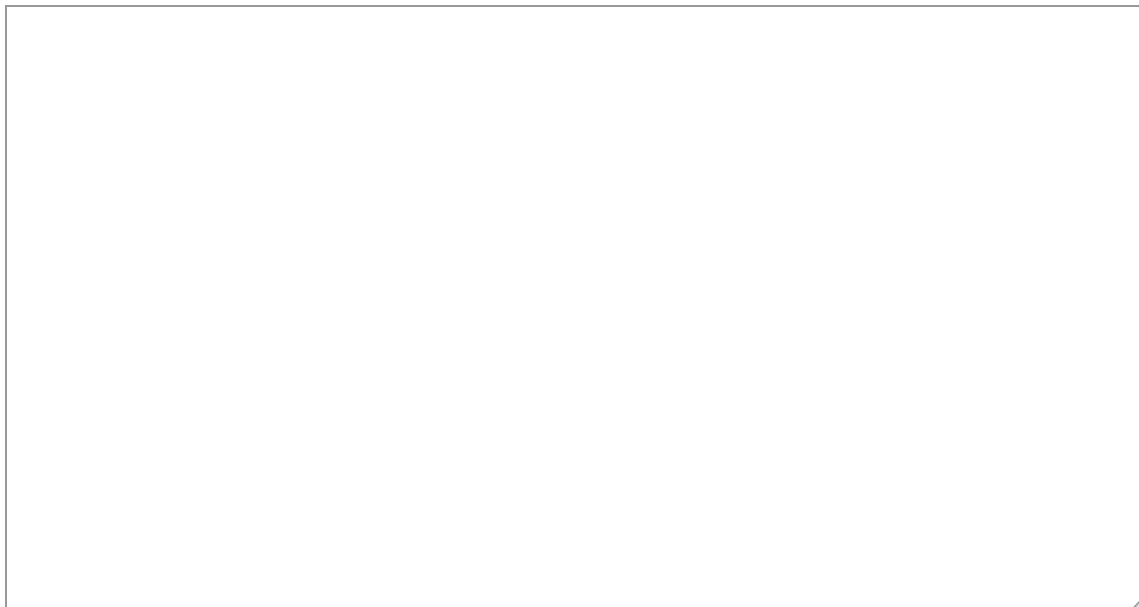

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their feedback response to Question 3. The box is positioned below the instruction text and above the bottom of the page.

Question 4: Availability of any information related to Competition

Are there any instances in the Competition exposure draft where information will either be unavailable, not possible to collect, or difficult to obtain over time?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 5

Is there any information missing from the exposure draft of the revised Competition Standard that is essential to understand and communicate an organization's competition-related impacts and how it addresses them?

Question 6: Overall comment

Do you have any additional comments or suggestions regarding the exposure draft of the revised Competition Standard?

Please include the specific disclosures, requirements, line number(s), and recommended resources where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their overall comments or suggestions regarding the exposure draft of the revised Competition Standard. The box is currently blank.

Public comment questionnaire for Phase 2 of GRI Topic Standards for Economic Impact Project

Survey questions for Public Policy exposure draft

Public Policy exposure draft

The following questions are in reference to the exposure draft of the revised Public Policy draft Topic Standard, which can be found [here](#).

The exposure draft contains one management disclosure and three topic disclosures about the organization's impacts on the environment, economy and society as a result of corruption and how it manages them.

Question 1: Disclosure PP-1 Public policy position

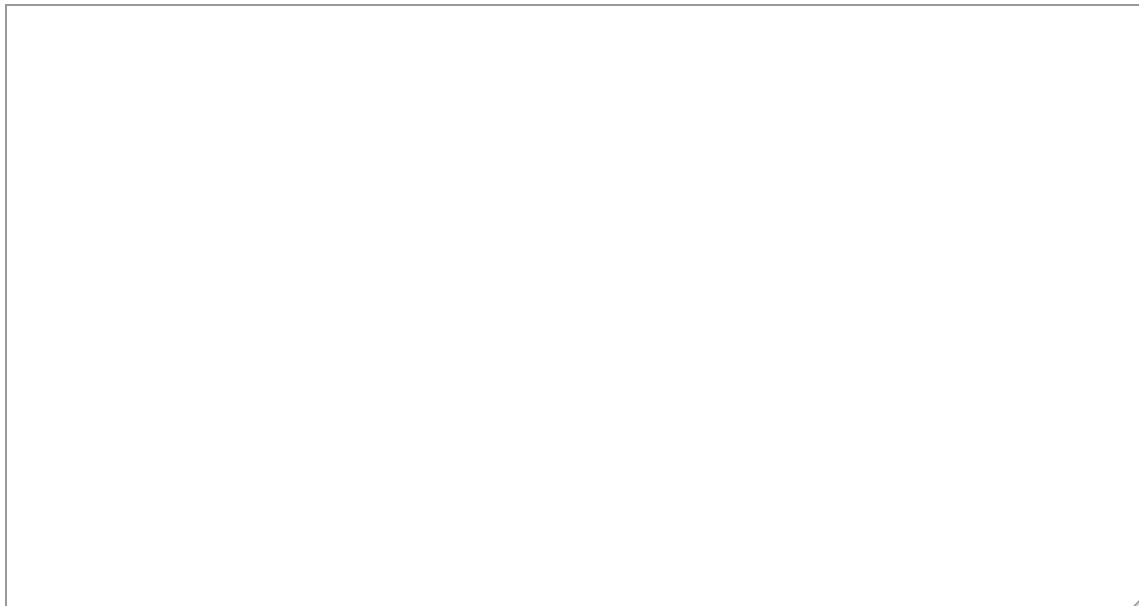

What is your feedback regarding the disclosure PP-1 Public policy position?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 2: Disclosure PP-2 Public policy alignment

What is your feedback regarding the disclosure PP-2 Public policy alignment?

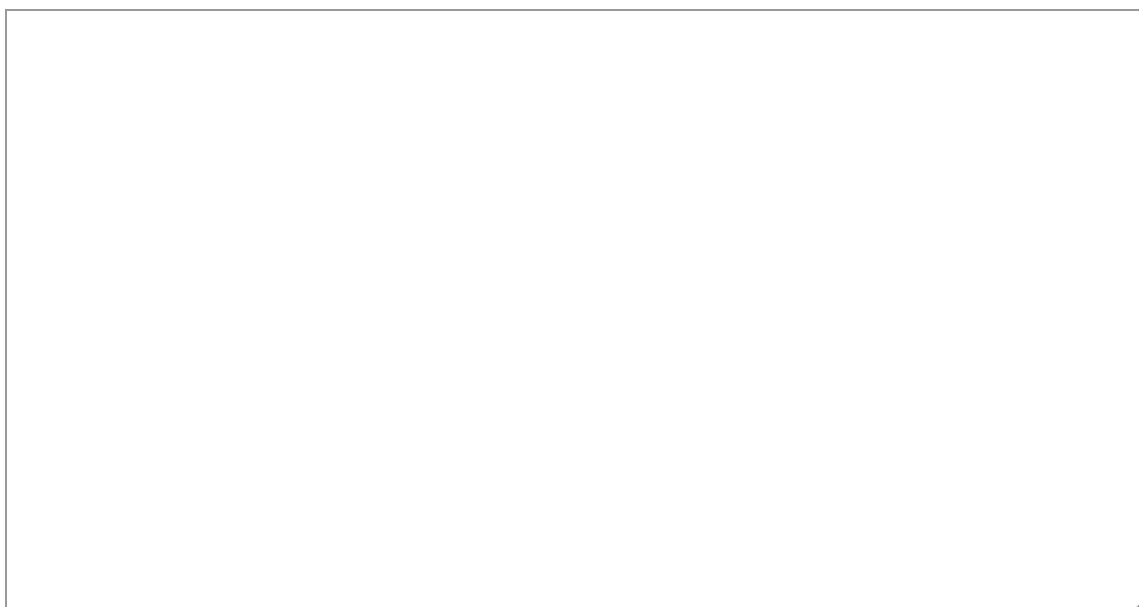

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their feedback. It occupies the majority of the page area below the question text.

Question 3: Disclosure PP-3 Public policy engagement

3.1. What is your feedback regarding the disclosure PP-3 Public policy engagement?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

A large, empty rectangular box with a thin black border, intended for the user to provide their feedback. It occupies the majority of the page area below the question text.

Question 3: Disclosure PP-3 Public policy engagement

3.2. As part of requirement PP-3-b-i, should organizations report the identities of non-public authority individuals such as high-profile business leaders, influencers, ultra-high-net-worth individuals, who are engaged in public policy activities and may influence decision-makers?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 3: Disclosure PP-3 Public policy engagement

3.3. As part of requirement PP-3-b-ii, is reporting of total monetary value of expenditure incurred for public policy engagement activities appropriate? Should organizations also report additional indicators such as staff time allocated to public policy engagement or the number of meetings with policymakers?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 4

The exposure draft of the revised GRI Public Policy Standard includes a table to support organizations in reporting the information required under Disclosure PP-3.

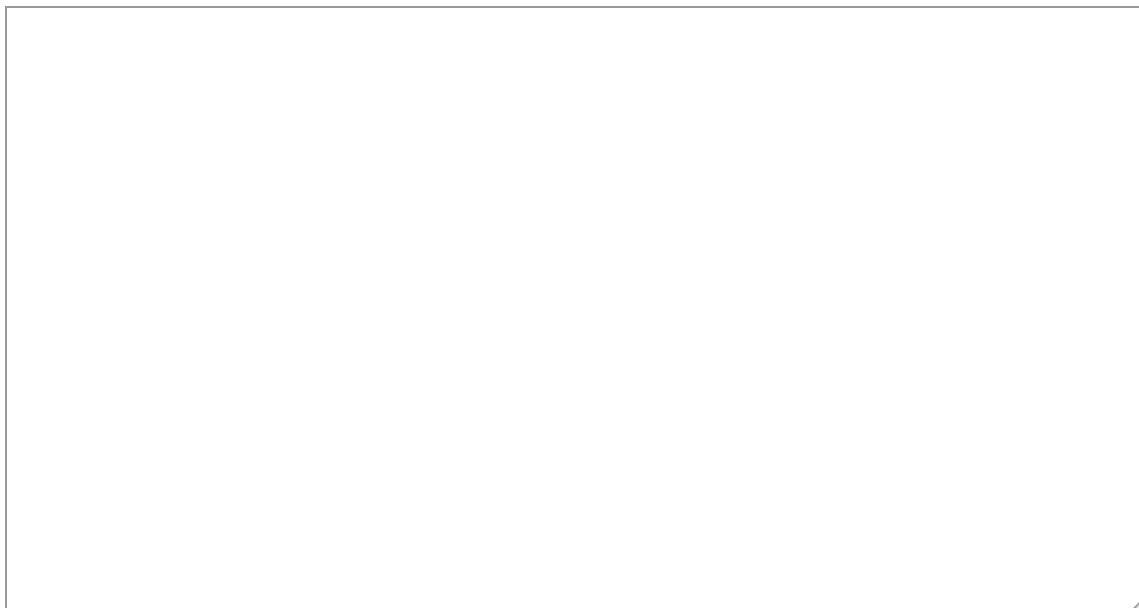

Is the table clear? If not, please provide the table number, explain why, and provide a proposal.

Question 5

Is there any information missing from the exposure draft of the revised GRI Public Policy Standard that is essential for understanding and communicating an organization's public policy-related impacts and how it addresses them?

Please explain your response. Be as specific as possible and provide any suggestions for improvement. Please include the specific disclosures, requirements, examples, and line number(s) where appropriate.

Question 6: Overall comment

Do you have any additional comments or suggestions regarding the exposure draft of the revised Public Policy Standard?

Please include the specific disclosures, requirements, line number(s), and recommended resources where appropriate.
