

Sustainability reporting, made better together.

Join the GRI Business Network

www.globalreporting.org

Shaped by sustainability leaders, for sustainability leaders — the GRI Business Network turns a global community into practical, hands-on support for your reporting practice.

GRI BUSINESS NETWORK

CONNECT AND ENGAGE

Draw on the collective experience, technical expertise, and practical support of practitioners across the network.

UNLOCK EXPERTISE

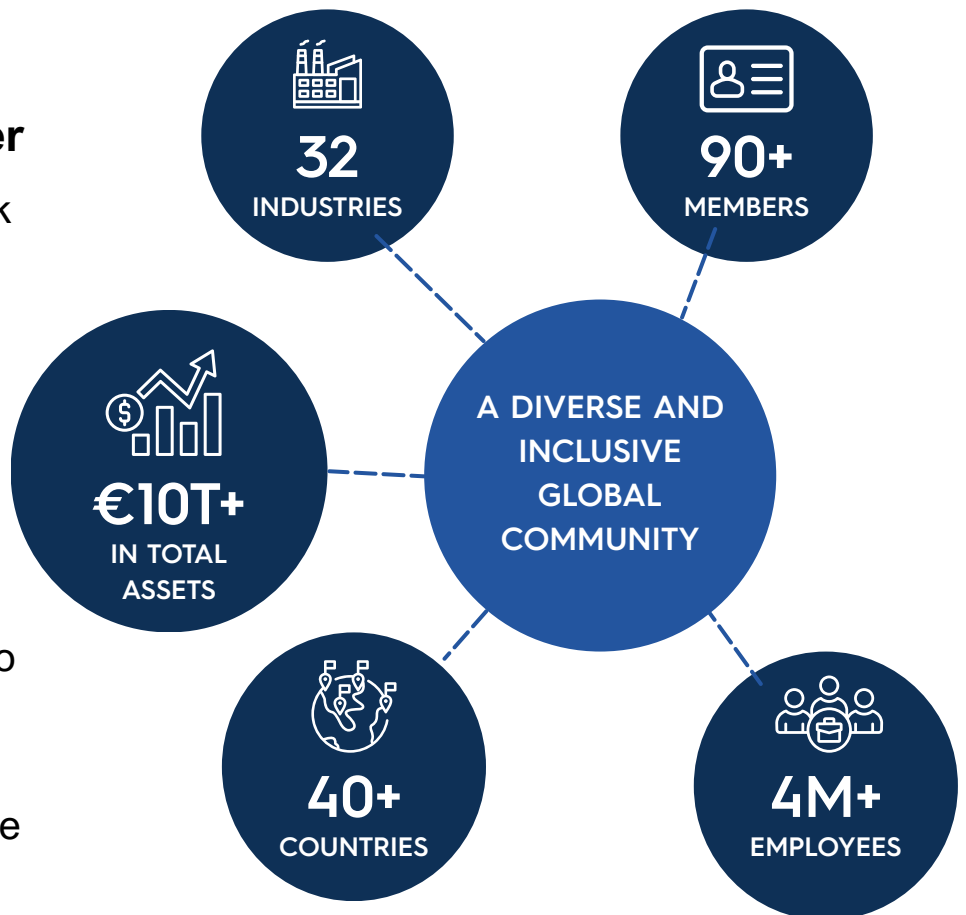

Untangle implementation issues with industry leaders and expert advice from GRI and others.

AMPLIFY YOUR IMPACT

Raise your profile as a reporting leader by sharing your experience with senior peers and the wider community.

Where sustainability leaders come together

The GRI Business Network brings together sustainability reporting leaders across industries and geographies, working to strengthen their own practice and accelerate progress across the field. From first-time reporters to established sustainability leaders, the network supports every stage of the journey.

Is your organization ready to lead?

Whatever your size, sector, or experience, there's something for you in the GRI Business Network.

"During our 15 years of membership, the program has allowed us to establish relationships with other stakeholders, share learnings and build networks that today are essential to the new social and economic context in which we navigate."

Patricia Perez, CSR Manager, Abertis

CONNECT AND ENGAGE

As a GRI Business Network member, you become part of a global community of sustainability leaders, building relationships that extend beyond any single meeting or event.

- Take your seat at the table through GRI's calendar of virtual events, covering topics that will provide inspiration and practical solutions for your work
- Build lasting connections and solve real-world challenges together through the online GRI Business Network Platform
- Join peers and industry leaders at GRI's annual, in-person regional gatherings

UNLOCK EXPERTISE

As a GRI Business Network member, you draw on the collective knowledge of practitioners across the network, backed by direct access to GRI's own technical expertise and resources.

- Benefit from free seats on GRI Professional Certification or ESRS Professional Certification
- Access additional discounts on the GRI Academy and GRI Reporting Services (offering official GRI feedback on Sustainability Reports)
- Join Communities of Practice for 3-month long deep-dive, hands-on, practical guidance on the reporting topics that matter most to you
- Get direct access to GRI's C-suite to discuss the Standards and the issues shaping the reporting landscape
- Stay informed with the GRI Newsletter
- Gain access to a curated library of resources, templates, and recorded webinars

AMPLIFY YOUR IMPACT

As a GRI Business Network member, you highlight your organization's leading position in transparency and profile your sustainability reporting efforts.

- Get opportunities to showcase your expertise — speaking at GRI-curated events, and featuring in newsletters and case studies
- Feature your organization in the GRI Business Network's member directory, visible to a global audience of peers and stakeholders
- Use the GRI Business Network Badge on your sustainability report, website, marketing materials and more
