

Reporting on Human Rights with the GRI Standards

Making human rights reporting clear, structured, and actionable

Why this eLearning course matters

Businesses can have profound impacts on human rights—both positive and negative. Increasingly, stakeholders and regulators expect organizations to demonstrate transparency about these impacts. This course equips participants with the knowledge and tools to understand, assess, and report on human rights in line with the GRI Standards, helping organizations meet global best practice and strengthen trust.

What you will learn

- State the relevance of human rights and human rights transparency to business
- Describe the key concepts in the GRI Standards, as well as the process for identifying impacts and determining material topics related to human rights
- Discuss the disclosures in the GRI Standards related to human rights, including the requirements and guidance
- Apply human rights-related disclosures by analyzing practical examples

COURSE DETAILS

- **Duration:** 3 hours
- **Format:** Self-paced online learning
