

GRI

EXPERT
NETWORK

Bridging expertise and opportunity in sustainability reporting.

Join the GRI Expert Network

www.globalreporting.org

Organizations turn to experts like you. The GRI Expert Network pairs your expertise with our resources, recognition, and global community to support your work in sustainability reporting.

GRI EXPERT NETWORK

AMPLIFY VISIBILITY

Raise your profile across the global reporting community and lead the way in shaping the future of sustainability reporting.

ENHANCE CREDIBILITY

Showcase your expertise, build trust and stand out using GRI's knowledge, resources and recognition.

CONNECT AND ENGAGE

Be part of a global community and get closer to the organizations looking for trusted reporting expertise.

Where reporting expertise advances

The GRI Expert Network brings together sustainability reporting professionals across industries and geographies, working to deepen their expertise and advance the standard of reporting across the field. From emerging advisers to established specialists, the network supports every stage of the professional journey.

Is your organization ready to lead?

Whatever your size, sector, or experience, there's something for you in the GRI Expert Network.

"The GRI Expert Network has provided a strategic platform to exchange information and create a real difference. If you want to better understand best practice and the brilliant insights into all the possibilities that the CSR reporting provides, we highly recommend to be part of this initiative."

Dr.-Ing. Thomas Fleissner

Founder and CEO of DFGE – Institute for Energy, Ecology and Economy

AMPLIFY VISIBILITY

As a GRI Expert Network member, showcase your expertise in front of the global reporting community and the organizations that rely on it.

- Display the GRI Expert Network Member Badge on your website, proposals, marketing materials and online profiles
- Feature your organization in the GRI Expert Network's member directory, visible to a global audience of peers and reporting organizations
- Showcase your expertise by featuring in the GRI Newsletter and case studies, or by speaking at GRI events
- Be among the first to hear about and join GRI's global events, with priority access and early-bird rates

ENHANCE CREDIBILITY

As a GRI Expert Network member, strengthen your credibility through GRI's learning opportunities, resources, and recognition.

- Benefit from free seats on the GRI Professional Certification or ESRS Professional Certification
- Access additional discounts on the GRI Academy
- Enjoy attractive discount and offers from the GRI Reporting Services (offering official GRI feedback on Sustainability Reports)
- Stay informed with the GRI Newsletter
- Gain access to a curated library of resources, templates, and recorded webinars

CONNECT AND ENGAGE

As a GRI Expert Network member, you become part of a global community of sustainability reporting professionals, with direct routes to the organizations and conversations shaping the field.

- Take your seat at the table through GRI's calendar of virtual events to sharpen your perspective on the developments and priorities driving sustainability reporting
- Build lasting connections and solve real-world challenges together through the online GRI Expert Network Platform
- Join peers and industry leaders at GRI's annual, in-person regional gatherings
